

Request for tender

Saloon Car Control tyres 2024 - 2026

1. Preliminaries

The Saloon Car Racing association inc (SCRA) is recognised by Motor Sport Australia as representing persons managing the motor racing category known as Group 3K Saloon Cars in Australia. Our involvement extends to over 20 race meetings throughout Australia in 2023

The Saloon Car Racing association inc is seeking to appoint a single national tyre supplier for the supply of nominated (control) tyres commencing 1st January 2024.

SCRA is seeking expressions of interest from tyre suppliers in accordance with the requirements listed within this document.

2. Requirements

2.1 Tyre Requirements “R” spec or High Performance treaded tubeless radial ply tyres suitable for tarmac circuit racing in both dry and wet conditions.

2.2 Tyres must be fit for purpose for vehicles weighing 1450kg (min) with the appropriate load ratings, and speeds of up to 250km/h.

2.3 Supply Conditions To provide the Saloon Car competitors a safe, durable quality performance tyre that is readily available during business hours in all capital cities in all states and territories of Australia.

2.4 To maintain sufficient stocks and a fitting service within a 50 kilometre radius of all capital city’s within Australia.

2.5 To deliver the selected tyre at a competitive nationally available price that will be reviewed by the supplier and SCRA annually.

2.6 Signage to be displayed on all competition vehicles for all official competition at the cost of successful tender.

3. Specification

Two tyre sizes listed below shall be supplied.

1 - 225/50R16, to suit rim size – 16”x8”

2 - 235/45R17, to suit rim size – 17”x8”

4. Tender Conditions

4.1 The successful tender may be heavily weighted competitiveness of cost direct to the competitor however other factors will also be considered i.e. safety, durability, performance, supply availability, rebates etc.

4.2 SCRA may limit the supply of tyres to a maximum of 6 per a race meeting.

4.3 The lowest cost may not be the deciding factor for the successful tender.

4.4 All tender costs will be exclusive of GST

4.5 All tyre costs will include fitting

4.6 Category sponsorship proposals will be considered as part of any agreement.

4.7 Multiple Tenders may be considered from the same manufacturer.

4.8 No reason shall be given for unsuccessful tenders

4.9 Closing date for submissions to be 6pm AEST 30th June 2023

5. Payment Terms

5.1 Payment of tyres will be the sole responsibility of competitors directly to the tyre outlets when ordered.

5.2 Any rebate offered shall be paid in full within 30 days following each calendar year
